

ON THIS ROCK
I WILL BUILD MY CHURCH

The land is our fundamental building block allowing Clinton United Methodist Church to grow today and tomorrow.

We see a campus – a beacon of light and the hope of Christ to the community – on a hill, featuring a multi-purpose worship center that is large and flexible, able to host concerts, plays, conferences and other community events.

It is a mission station, a place for hosting missions work and bringing local churches together to share the love of Christ with the community.

The ministry campus is home to indoor and outdoor activity space, walking trails, ball fields, an amphitheater and a large youth center to sustain a growing youth ministry. It provides a suitable place for spiritual exploration, Christian life development and education, room for pastoral counseling, reflection and senior gatherings.

It is a facility kind to our environment and efficient to operate, reflecting and respecting God's gift of nature to us.
